Featured Article

Akron Children's Hospital depends on charitable support to sustain its mission of providing the best medical care to children and teens, as well as burn victims of all ages.

The commitment and generosity of our benefactors - people like you - have been a source of strength and growth for Akron Children's Hospital for more than a century.

Your contributions are even more essential today in the face of dramatic shifts in traditional funding for education and research, shrinking reimbursements and other challenges facing pediatric health care.

No matter the size or type, all gifts are meaningful and provide important support for Akron Children's Hospital's mission.

Burning Twice to raise money for Akron Children's Hospital.

Can you help raise money for Akron Children's Hospital? I will be running the Burning River 100 Endurance run on August 1st and hopefully crossing the finish line, so I can then turn around and run in the opposite direction, for another 100 miles. Yes! **Burning Twice!** I am asking for your pledge for the first 100 miles and/or the 2nd 100 miles. 100% goes to Akron Children's Hospital. Pledge can be sent to: info@AMileforaChild.com . Pledges can be viewed at www.AMileforChild.com .

Pledge form: <http://www.amileforachild.com/Pledge%20per%20mile%20form.xls>

If you can help crew the second half of the "Burning Twice" to help in this fund raising event, please send an email to info@AMileforaChild.com .

So far there are 8 crew members and their pictures and bio will follow in the next publication.

Thank you for your support and "Making a difference in the life of a Child"

Sincerely,
Kurt Osadchuk
