Dear Mr. and Mrs. Osadchuk:

Thank you for your \$226.42 gift to Akron Children's Hospital for the 2007 Children Need Our Help event. Your deeply appreciated gift has been designated to the Foundation Fund.

Your dollars are making a difference every single day in the lives of the sick and injured children and their families who rely on their region's children's hospital for care.

That difference can take many forms - technology, training and research programs or medical equipment. But what it really *means* is . . .

...a little boy's beaming smile as he takes his first steps after surgery;

...the look on a mother's face as she cradles her tiny baby on their way home after a long stay in the neonatal intensive care unit;

...a senior physician's satisfied nod to a young resident as she masters a difficult procedure.

Your gift is critical in helping us to face the mounting pressure to reduce the cost of health care without sacrificing the high standards of quality upon which we've built our reputation. Our mission is simple but strong: Service to the community, Patient Care, Education, Advocacy, and Research. We are very thankful for your belief in our mission and will continue to do our best to serve the children and young adults of this community.

Once again, thank you for helping to make a difference in the lives of others.

Sincerely,

John D. Zoilo
